TRAPPING ON

Fish & Wildlife Development Fund (FWDF) LAND

You're invited to participate in a meeting with fellow trappers to gather a better understanding of:

1. Past Trapping Practices

- on FWDF land
- on previous crown Ag land that are now FWDF land
- who was using these lands & the process you used to acquire access

2. Current Trapping Practices

- who is still using FWDF land
- limitations faced due to barriers (access, permission, permits)
- how are you currently obtaining access to these lands?

3. Government Changes & Discussion

- how has current changes impacted trapping
- how has current changes impacted access to other areas (registered lines, other crown ag land, etc)

We want to hear from you. If you're a trapper who has utilized FWDF lands in the past, I encourage you to register and participate. This meeting is for licensed trappers. Government or other agencies will not be in attendance.

A meeting is called for **Tuesday, December 8th at 7:00pm**. We will hold the meeting electronically via Zoom. If you have a desktop, tablet, or smartphone – it's quite easy. If not, you can call in using the telephone number and access code. I will begin the meeting at 6:30pm to allow time to connect and walk through the first connection steps.

HOW TO REGISTER

Contact me directly to register. I will provide you with login information and a "how to" on accessing Zoom using your smartphone, tablet, or desktop. If planning to dial in, I will also provide you with the call in number. You can register either:

Email: wranglerhamm@sasktel.net Telephone: 306-796-7875

Please reach out to fellow trappers, regardless if they are members of the Saskatchewan Trappers Association or not. I look forward to seeing everyone on Tuesday.

Wrangler Hamm, President
